

# Irmgard Gorzawski

“Irmgard Gorzawski is brilliant at displaying the whole range of possibilities that this wonderful instrument offers: from warm, powerful cords to silvery glissandi and sparkling arpeggios to celestial flageolett tones. “

*Süddeutsche Zeitung, München*

“Mrs. Gorzawski did a superb job, with a convincing technique and great precision – where necessary – with personal forming. She is an excellent musician, and working with her was a great pleasure. “

*Helmuth Rilling, Internationale Bach Akademie Stuttgart*

„Due to her unquestioning commitment to all works that she has a good look at I have cast her in my own compositions many times. (...) As one can see from all this, I hold Mrs. Irmgard Gorzawski in high regard as a brilliant harpist, who cuts a „bella figura“ as a soloist and chamber musician as well as in the orchestra.“

*Wilfried Hiller, Komponist*
